PRESIDENT: Thank you. Senator Whitney, confine your remarks please to the issue at point here.

SENATOR WHITNEY: The point is that you can not, I didn't ask for this opportunity to speak, the point is that you, there is so many delays involved that you couldn't satisfy this problem at the immediate time. May I use that as an explanation that that won't solve the problem?

PRESIDENT: Question is, shall the Whitney amendment as amended be adopted. All those in favor vote aye, all those opposed vote no. Voting on the adoption of the Whitney amendment as amended to LR114. Have you all voted? We are voting on the Whitney amendment as amended to LR114. Once again, the Chair would inquire have you all voted? Stand by, I have senators that are coming down to their seats and I don't think that we should shut off the board here until we have a chance to find out if they are going to vote or not. Thank you. Clerk will record. Clerk will record.

CLERK: 10 ayes, 19 nays Mr. President.

PRESIDENT: Motion is lost. We are back to the original resolution 114, Senator Snyder, what is your pleasure regarding the resolution?

SENATOR SNYDER: Mr. President and members of the Legislature, I believe the situation is about as discussed as we care to. It is just my intent that this resolution can serve as a means of notifying federal government that we here in the midlands are aware of the critical situation that we are in, and that this resolution would serve as a symbolic gesture that they urge that they get something done now and that it is indeed the little man in the middle who is caught and who is most seriously hurt by the current situation, and I move that LR114 now be adopted by this Legislature.

PRESIDENT: Now Senator Nore your light is on, do you want to discuss LR114? Is there any further discussion of the resolution? Then the question is shall the LR, excuse me, the question is shall LR114 be adopted? All those in favor vote aye, all those opposed vote no. You are now voting on the adoption of LR114. Have you all voted? Once again have you all voted? Clerk will record.

CLERK: 34 ayes, no nays Mr. President.

PRESIDENT: The resolution is adopted.

CLERK: Mr. President, Senator Moylan asked to be excused for the balance of the

PRESIDENT: Morning?

CLERK: Yes.

PRESIDENT: Alright are there any objections to his absence for the rest of the morning? Hearing none so ordered. Senator Kelly for what purpose do you rise?

SENATOR KELLY: Mr. President, I ask unanimous consent to excusing Senator Schmit for the balance of the day?

PRESIDENT: Senator Schmit is asking to be excused for the rest of the day. Are there objections? Hearing none, so ordered.

CLERK: Mr. President, your committee on Public Health to whom has been referred LB859 instructs me to report the same indefinitely postponed. Signed Senator Kennedy. Mr. President, I move that LB127 be placed on General File not withstanding the action of the committee. It is my understanding that Senator Carpenter desires to lay it over.
